

Land Expo Sponsors 2016: Big Thanks and an Overview

Published on Dec 11, 2015 by Peoples Company

The [Land Investment Expo](#), presented by Peoples Company, would like to extend its appreciation to the sponsors of our ninth annual farmland conference, and with special recognition to the following brands. The Land Expo on January 29, 2016, is expected to be one of the most comprehensive and well-attended events we've presented to date, thanks to your attendance and commitment of those serving the ag and agricultural real estate industries.

AgSolver

[AgSolver](#) deploys products for agribusiness decision makers while combining data management and simulation to increase profits, improve investment returns and simplify mandated certification workflows.

Davis Brown Law Firm

[Davis Brown Law](#), with a growing practice of 75 attorneys and offices in Des Moines and surrounding areas, provides comprehensive legal services to clients ranging from private individuals to Fortune 500 corporations, multinational corporations, nonprofit groups, regulated industries and others. The firm, representing clients that conduct business on a local, state, national and international basis, works in a wide variety of areas, including administrative law, business transactions, government relations, mergers and acquisitions, real estate, securities, patent law and intellectual property, taxation and litigation, and more.

Farm Credit Services

[Farm Credit Services of America](#) is dedicated to serving the agricultural credit, risk management and financial needs of farmers and ranchers in Iowa, Nebraska, South Dakota and Wyoming. It is affiliated with Farm Credit System, a nationwide agricultural network providing credit and affiliated services to farm and ranch operators across the United States.

Insight Wealth Group

[Insight Wealth Group](#) is an independent financial advisor that works with a select group of high net worth investors to provide a holistic approach to wealth management. The group combines strong, actively managed portfolio strategies – with access to outside equity and fixed income managers – and the ability to invest in non-standard assets, such as real estate. Insight brings together professionals from all aspects of the industry to generate for each client a specific and individualized plan.

IPE 1031

[IPE 1031](#) specializes exclusively in providing exchange accommodation services for Section 1031 exchange transactions. The company assists with planning and structuring the exchange transactions – providing detailed and customized documentation to ensure strict compliance with IRS regulations and serving as a complete exchange resource to taxpayers and their advisors. Having successfully accommodated thousands of exchange transactions totaling several billions of dollars in value, IPE is one of the nation's leading qualified intermediary organizations.

McClure Engineering Co.

[McClure Engineering Co.](#) offers an array of engineering services to municipal, county, state and private clients. The company provides professional civil services in the fields of aviation, biofuels, surveying, land development, streetscapes, transportation, water environments and more.

Russell Consulting Group

[Russell Consulting Group](#) is leading provider of marketing and financial advice to crop and livestock farmers across the United States and in Canada. The organization, started in 1998 by Moe Russell and Terry Jones, has built a proven model of risk discovery, planning and management. Russell Consulting starts with an in-depth analysis of farming operations intended to “bulletproof your balance sheet.”

Stine Seed

[Stine Seed](#) for more than 35 years has been providing growers with the best genetics available. As the nation's largest independent seed company, Stine is known for its leading-edge approach to research, products and programs – and becoming one of the most recognized names in the corn and soybean industry.

Summit Ag Services

The world's financial and agricultural landscapes are constantly evolving, requiring rapid movement, specialized knowledge and readily available resources to excel in an increasingly crowded marketplace. [Summit Agricultural Group](#) provides full-scale agricultural management and advisory services to its clients, and with a focus on integrity at the heart of every operation, investment and employee.

The AGRI-DATA Solution

[AGRI-DATA Solution](#) is an agricultural data management platform delivering market-specific solutions to help growers, retailers and food processors realize greater profits. From planning to growing to harvesting to tracking, AGRI-DATA empowers users to make better business decisions by providing easy-to-use tools that track agricultural production processes all the way to the field level.

Our Media Sponsors

The Land Report

The American landowner belongs to an exclusive club. [The Land Report](#) is their magazine. Distributed four

times annually to 50,000 subscribers and affluent readers – in both print and digital format – The “Magazine of the American Landowner” has been featured in Barron’s, the Wall Street Journal, New York Times, Forbes, Drudge Report and other high-profile media. Eighty-four percent of The Land Report’s readers are considered “Above Average Potential Investors.”

DTN / The Progressive Farmer

[DTN / The Progressive Farmer](#) is a highly regarded ag publication focused on delivering independent information to help subscribers grow production, efficiencies and profitability. Each issue of The Progressive Farmer offers unique content produced by an award-winning editorial staff. Article topics range from tax tips to crop production, market trends, equipment and technology, land management, conservation, insights on weather and farm policy. The publication began in 1886 and has been serving American farm families ever since.
