

September 2017 Iowa Land Auction Results

Published on Oct 5, 2017 by Peoples Company

The image displays a collage of overlapping screenshots of land auction results reports from Peoples Company. The reports are organized by month, with the most prominent one being the 'APRIL LAND AUCTION RESULTS'. Other visible reports include 'FEBRUARY LAND AUCTION RESULTS', 'JUNE LAND AUCTION RESULTS', and 'JULY LAND AUCTION RESULTS'. Each report contains a table with columns for 'SALE DATE', 'COUNTY', 'LAND TYPE', '\$ PER ACRE', and 'CSR2'. The data points vary across the different reports, showing a wide range of land types and prices. For example, in the April report, sales range from \$4,800 per acre in Cass County to \$12,000 per acre in Sioux County. The June report shows a high of \$23,530 per acre in Polk County. The July report shows a high of \$4,200 per acre in Poweshiek County. The overall layout is a dense grid of these individual report snippets, creating a comprehensive overview of the company's auction activity for the period.
