

# Peoples Company Expands Team To Support Rapid National Growth

Published on Nov 13, 2019 by Peoples Company

(CLIVE, Iowa) – Peoples Company, a leading provider of land brokerage, management, investment and appraisal services in 21 states, today announced its plans to hire four corporate national and regional positions to support the company’s growth across the country. Peoples Company has long been known for delivering innovative solutions to clients with a team of cohesive land professionals focused on building lasting relationships. The announcement today is yet another reflection of the company’s commitment to create unlimited opportunities for landowners by being resourceful and influential in the global land business.

The company is seeking qualified candidates for the following new positions:

- National Director of Land Management
- National Director of Appraisal
- Regional Broker Manager: Mississippi Delta
- Regional Broker Manager: Midwest

The National Director of Land Management and National Director of Appraisal will each oversee their respective business units and service offerings across all states where Peoples Company operates.

The Regional Broker Managers will oversee operations, including brokerage, land management, investment and appraisals, in their respective territories.
