

Land Market Update with Steve Bruere (Recorded Call)

Published on Mar 24, 2020 by Peoples Company

Steve Bruere, president of Peoples Company, discusses COVID-19 and its effects on land markets during this recorded call. On the call with him are two well-known voices in the land industry: Dr. Mark Dotzour and Eric O’Keefe. Both Mark and Eric have both spoken at our annual Land Investment Expo, and each brings unique insights: Mark, as the former chief economist of the Real Estate Center at Texas A&M University; and Eric as the editor-in-chief of The Land Report, the Magazine of the American Landowner.

We apologize if anyone was unable to listen to the call live. Due to a high number of participants, we know some of you had a difficult time dialing in.

The recorded call is available on the player below.
