BIO

Chris joined Peoples Company in January 2021 and is a Certified General Appraiser and Senior Analyst specializing in agricultural properties, with a focus on evaluating and appraising fruit and nut crop orchards, vineyards, row crop farmland, and vacant land throughout California and the West Coast. With nearly a decade of experience in market research, financial analysis, and report writing, he brings a comprehensive understanding of the agricultural industry and a strong track record of providing accurate and insightful appraisal reports.

Outside of work he enjoys spending time in the outdoors, hiking, surfing, and rock climbing.

EDUCATION

Chris holds a Bachelor of Science degree from Virginia Tech.
