## BIO

Kyle joined the Peoples Company team in February 2023 assisting Realtor Adam Crist as his Real Estate Marketing and Sales Coordinator. Kyle worked for three years at Ever.Ag helping dairy farmers manage price risk through futures and options on the Chicago Board of Trade and the Dairy Revenue Protection insurance program. Kyle grew up and is still active on his family's 700 cow dairy in Southwest Wisconsin. In his free time, he enjoys volunteering at his local Catholic church, working out, reading, helping out on the farm, and spending quality time with family and friends.
